PERSONAL HEALTH RECORD (PHR)

Take control of your Personal Health Records and more! Now part of your Medical Insurance coverage with Pacific Cross Vietnam

Pacific Cross Vietnam and HealthCare 365 have partnered to provide you secure and private access to your personal health records.

A tool that enables you to take charge of your records, appointments, important documents and more from any internet connected device...desktop, laptop, tablet or smart phone –android, apple or windows.

While covered under your Pacific Cross Vietnam medical plan, you will automatically have access to HC365's PHR portal.

YOU DO THE REST!

- Add Emergency Contact and Medical Alert information
- Enable Emergency access
- Make an appointment and add to your calendar
- Add medications
- Add documents
 - Your own or clinical Notes
 - Important documents
 - Test results

Take a pic of the document from your mobile device and save!

YOU DETERMINE HOW MUCH AND HOW LITTLE!

Your records and information are private and secure with HealthCare 365.

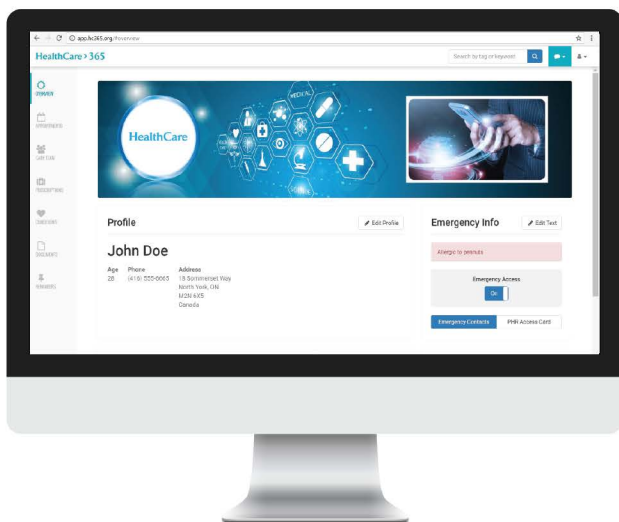

The HealthCare 365 server is totally separate and secure from Pacific Cross Vietnam and therefore not accessible in any way by Pacific Cross Vietnam.

Nothing you record within your PHR is accessible!
